Remote Learning

Classroom Culture

A photograph of several young children sitting at desks in a computer lab, focused on their work. The child in the foreground is a young boy with light brown hair, wearing a light blue t-shirt and several colorful beaded bracelets. He is looking intently at a computer monitor. Behind him, another child in a yellow shirt is also working at a computer. The room is filled with computer monitors and keyboards, creating a modern educational environment.

Connections

“

The philosopher Lao Tzu said that the journey of a thousand miles begins with the first step, and becoming an effective **culturally responsive teacher** is a long journey.

~Zaretta Hammond (2015)
